

OPTIMIZING CAMPUS DRIVES WITH WHEEBOX ETS SOLUTIONS

wb_info@ets.org

A Global Leader in
Remote Proctored Assessments

Client Overview

The client is one of the world's leading diversified natural resource companies with business operations in India, South Africa, Namibia, and Australia. The company is a leading producer of Oil & Gas, Zinc, Lead, Silver, Copper, Iron Ore, Steel, Aluminum, and Power. The company has been contributing significantly to nation building. Governance and sustainable development are at the core of the company's strategy, with a strong focus on health, safety, and environment. The company aims to deliver on its commitments to all internal and external stakeholders by demonstrating its core values through its actions, processes, systems and interactions.

Challenges

The organization growing at an astounding rate, was struggling with the management of logistics for conducting screening assessments, booking venues, and coordinating with the campus establishment and students. The company wanted to hire fresher candidates from campuses across India and had to fill in the positions within a stipulated time. They had two major requirements:

1. They wanted end-to-end management of the complete campus hiring process.
2. They wanted help in sourcing of the campuses and candidates.

What is the Solution ?

Wheebox - An ETS Company understood the requirements of the company and helped it manage its campus hiring drive completely, from sourcing campuses and candidates to releasing the final offer letters.

Implementation

1. Wheebox - An ETS Company designed the assessment for the client for shortlisting the candidates.
2. Wheebox - An ETS Company team supported them in end-to-end campus hiring solution, which included:
    - Planning of drives at campus.
    - Branding and marketing of the organization at campuses for visibility to the candidates before the assessment.
    - Interview drives.
    - On ground support at the campuses on the day of the event.
    - Complete support to the client from assessment to shortlisting to releasing offer letters and joining of the candidates.

About Wheebox - An ETS Company

At Wheebox, we are redefining the future of talent assessment by combining innovation, precision, and global expertise. As a proud subsidiary of ETS (Educational Testing Service), we deliver world-class solutions that empower organizations, institutions, and governments to make smarter talent decisions and build workforce readiness for a rapidly evolving world. Our suite of advanced solution fortified with AI-Based Remote Proctoring enables organizations to assess, evaluate, and upskill talent with accuracy and precision.

With a strong global presence, Wheebox stands at the intersection of technology and human potential, offering scalable, secure, and customizable solutions that meet the needs of modern talent ecosystems. Driven by our mission to foster global talent mobility, we collaborate with industry leaders and academic institutions to create impactful, future-ready workforce strategies.

About ETS

ETS is a global education and talent solutions organization enabling lifelong learners to be future ready. We advance the science of measurement to build the benchmarks for fair and valid skill assessment. We are committed to powering human progress by promoting skill proficiency, empowering upward mobility and unlocking more opportunities for everyone, everywhere with accuracy and precision.

Our assessment products - including the TOEFL, TOEIC, GRE, and Praxis Assessments - as well as our innovative solutions and subsidiaries help 50 million people each year to clarify their strengths and find opportunities for growth in education, work and beyond. We continue to operate around the world, with offices in 25 locations and operations in 195 countries and territories.www.ets.org
