A Global Leader in
Remote Proctored Assessments

Client Overview

One of the largest IT firms that developed and provided a wide variety of hardware components as well as software and related services to consumers, small- and medium-sized businesses and large enterprises, including customers in the government, health and education sectors.

Solution

Wheebox - an ETS company understood the client needs and project and therefore conducts 25000+ certification exams every year.

Multiple partner registration has been made easy for the client and candidates enroll under one partner with number of assessments taken, the results are shared with candidates and the certificate is published with just one click.

Tests are conducted in multiple languages and report is also generated in regional languages. E-certificate is generated for a candidate only upon clearing the passing criteria.

Implementation

The company conducts online assessments for certification in various skills-based areas and provides certifications to candidates after training in fields such as:

1. Big Data Management
2. Advanced Excel
3. Networking

The comapny has tie-ups with various partners across India. They register these partners on our platform and further register candidates under one partner, and conduct the assessments. Post completion of assessment, on the basis of scores, the candidates get the report along with certificate of clearing the course in a particular domain.
